# Who Are We

---

Sperrin Interiors specialises in interior systems for both commercial and residential projects across the North and South of Ireland.

We deliver reliable, high-quality workmanship across drylining, suspended ceilings, partitions, insulation, and finishing works, working closely with main contractors, developers, landlords, and homeowners.

Our focus is simple: clear communication, tidy sites, and work done right.

# *Where We Work*

---

Sperrin Interiors is based in Northern Ireland, delivering interior systems for commercial and residential projects across the UK and Ireland.

We regularly work on projects throughout:

- Northern Ireland
- Republic of Ireland
- England, Scotland & Wales

We undertake both standalone packages and work as part of a wider construction team, bringing the same attention to detail and reliability to every project, regardless of location or size.
